

# Neath Afan Activity Centre

Dear Parent / Guardian

## Payment for Childs class in 2018

Please note Neath Afan Activity Centre “4 week block” start dates and payment dates for your easy reference.

Every “4 week block” will be associated with a calendar month, but will not start on the 1<sup>st</sup> of each month. Please carefully note the start dates (information attached).

Your regular “block” fee is £28 which is due on or before your first class of each “block”.

Why not save yourself some money and have a bit of lea way with time and pay by standing order, as long as we receive your payment before the 7<sup>th</sup> of each calendar month, this will be at the discounted rate of £25.

If you pay within the allocated payments dates then you will pay £28 per “block”. If you pay outside of this allocated timeframe then there is a late fee which increases your fees up to £30 regardless of how you make the payment.

Bonus week – this is a special deal from us to you. Should you take a week’s holiday during the summer you do not lose a class.. If you take a two week holiday during the summer then you only lose 1 week, if you do not take any holidays during this time then you gain a free week 😊

Please take note of shutdown dates, bank holidays and additional camps or fun events. These will be advertised closer to the date.

## Gymnastics Assessments

Weeks 3&4 of each alternative 4 week “block” (Feb, Apr, June, Aug, Oct, Dec) will be assessment week.

Your child will receive a feedback slip to advise you of their progress, when they pass a level you will receive a notification and request for payment slip (£3 per certificate).

Your child will receive the certificate 1 week after a payment has been made.
