

Changes for 2018

Dear Parent / Guardian

A new year is fast approaching and we have been required to make a few changes to some of the classes that we currently run and also some new additions as well.

Below please find the details of all changes that may affect you and your children, you will also get individual letters if a change is occurring within your child's session.

Monday - 2pm trampoline sessions, these will stop as of January 2018

Monday - 4.05pm - trampoline sessions, only this session will stop other disability sessions will continue.

Wednesday - **ALL NEW SESSION TODDLETASTIX** will commence from the 9th January 2018 this will include a Fun 4 Babies section and will be managed by Rachel all day. Bring the little ones along and they will gain not only confidence from learning new skills but can have a break and get a soft drink and some toast within the session. (There will be no change to the Friday session other than the provision of toast & soft drinks for the children that attend).

Unfortunately we have had to stop the Ysgol Bae Baglan sessions for the time being, but plenty of sessions available at the Centre in Milland Rd.

Thursday - Gym 4 All sessions, there will now be two sessions that run on this evening 4pm & 5.05pm.

Disability sessions will now be done in a combined session @ 6.15pm.

Friday - Freestyle sessions will change slightly, it will now be a session @ 6.15pm 6yr+ and 7.15pm 8yr+ and 8.15pm 10yr+. These sessions will be £6 for an hour and offers will be provided if the children participate in more than 1 session. (Tuesday sessions will remain the same).

You will be offered alternative sessions if your has changed/been cancelled but please speak with the staff if any issues arise.

Merry Christmas & a Happy New Year

Sam Pascoe Assoc. CIPD

General Manager, Neath Afan Activity Centre
